PAFED

Annual Meeting

September 15-16, 2026

Williamsport, PA

**About the PAFED
Annual Conference**

*Williamsport is a perfect place for a
little getaway.*

*Join us in the 19th century Lumber Capital of the
World and the birthplace of Little League Baseball.
For those into architecture and history, Millionaires'
Row features beautifully preserved Victorian mansions
built by the 19th-century logging barons.*

**Visit PAFED.COM to register and more information
or see the forms in this newsletter**

President's Column

by: Ron Ford, PAFED President

Hope everyone is excited, summer is officially here. It seemed to be a long and cold winter.

Spring was up and down, with one day extremely hot and then cold days. The summer always seems to be busy in the fire protection Industry.

One issue that I thought was going to be wrapped up is the Philadelphia Pre-engineered NICET Special Hazards requirement for servicing, installation or repairs. PAFED, along with NAFED, FEMA and a handful of local PA service companies have worked to have NAFED/ICC Pre-engineered certification added to the requirement for Philadelphia licensing. It went to the council to have it voted on, but the union objected. I just found out that Philadelphia is no longer allowing the Grandfathered techs a renewal. They stated there is no longer a grandfather clause. They require NICET Level 3 or a Fire suppression workers license to do kitchens. So I sent my renewal in with the NAFED/ICC Pre Engineered certification and waiting to see if they reject me. We are getting the group back together to work on this. We will have more at the September conference on the Philadelphia training requirements.

I am looking forward to the Annual Conference in Williamsport this year. Its always great to see and talk with people from all over the state. It is a area where the western part and eastern part of state can both attend easier. We looked at other areas and made a list of places. It seemed like one thing, or another just eliminated them this year.

In July the board will have its board meeting and then to the conference in September.

President's Message, from front cover

Camp Susquehanna just had its annual summer camp the middle of June. I talked with Bob Reppert during the camp, and he said it was going great. The kids were having a good time.

The first night the kids fished and caught a lot of fish. Around 200 fish the first night! I saw a picture of the kids painting Bobs fingernails, looks good Bob! I am proud PAFED gets a chance to help support this great cause. These families of burn children have no cost to send the kids to this camp and quarterly meetings throughout the year. It is funded by donations that send these kids to the camp!

As always, if PAFED can help your needs or questions please reach out to a Board Member or our Association office at 888-923-3471. I did have a couple of members reach out to me this past quarter, and I was happy to help them.

Have a GREAT 4th of July, America's 250th Birthday!!

Sincerely,

Ron Ford

CLEAN FIRE SUPPRESSION GASES

Your Guide for the **AIM Act**

Compliance isn't just about rules, it's about having the right partner.

When you partner with Wesco HMB for HFC reclamation, you gain:

- Verified weighing and testing of recovered gas
- Purchase documentation for audit records
- Fewer internal reports

Leaving you with only the essential reporting mandated by the AIM Act:

- Annual reporting of HFCs sold
- End-of year HFC inventory on hand

Simplify AIM Act compliance.

Talk to Wesco HMB about reclaiming your HFCs.

Camp Susquehanna: Where Young Burn Survivors Build Community and Confidence

A serious burn injury is one of the most painful traumas a human being—especially a child—can endure. Most severely burned children are put into a medically induced coma for the first several months of their recovery because they might not otherwise survive the pain of their initial healing process. Recovery often takes years or even a lifetime of difficult treatments.

Emotional suffering and social isolation compound these physical healing challenges. Maimed and facially disfigured survivors tend to be stigmatized whatever their age, and children especially face ostracism and bullying.

For kids in this situation, nothing is more healing than just “being a kid” with other children and adults who truly understand and are able to help. That’s why Camp Susquehanna exists.

What is Camp Susquehanna?

Camp Susquehanna is a sleepaway summer camp experience for children ages 7-17 who have had a burn injury. It creates potentially life-changing opportunities for children to have fun, connect with peers who are also burn survivors, and learn invaluable life skills in a safe, supportive environment.

Camp Susquehanna is the charity of choice for PAFED. It is a program of the Burn Prevention Network, a Pennsylvania statewide 501(c)(3) non-profit with the mission of reducing the risk of burns and empowering burn survivors and their families. Thanks to the support of many generous donors including PAFED, Camp Susquehanna is completely free to campers and their families. Participants can also take advantage of free roundtrip bus transportation from several different burn centers and other locations across Pennsylvania, including Pittsburgh, Philadelphia, Lewistown, and Lehigh Valley.

Camp Susquehanna participants vary widely in age and abilities, so activities are tailored towards each camper’s unique developmental needs. Kids can choose to participate in an impressive range of activities, including a climbing

wall, ropes course, towed tubing, swimming, fishing, campfires, music, skits, arts and crafts, and much more.

We are celebrating Camp Susquehanna’s 30th year. It is currently being held at beautiful Camp Westmont in Poyntelle, PA. Bracketed by scenic woodlands and a lake, indoor amenities include excellent dining facilities and air-conditioned cabins. Yes, the fun here is first-class.

Supporting Camp Susquehanna

There are many ways for individuals, businesses, and groups to support Camp Susquehanna. One is supporting PAFED’s fundraising events. The camp is completely free for all who attend, and there is room at the current facility for many more campers if funding permits.

Other possibilities include:

- Acting as a chaperone on a bus bringing kids to or from camp.
- Helping to inventory, pack, label, and move camp supplies.
- Provide a lunch stop along one of the bus routes to or from camp. The kids love to stop at a fire hall and meet firefighters!
- Making possible online/virtual activities, such as regular Zoom calls with the children and their families.
- Helping to spread the word about Camp Susquehanna within your own community.

Camp applications are currently open! This year’s dates are June 14-18th. For more information about Camp Susquehanna, including this year’s volunteer application and donation links, please visit <https://www.burnprevention.org/camp-Susquehanna/>.

Additional information also on page 9 in this issue.

VOLUNTEER FOR CAMP SUSQUEHANNA

Camp for Young Burn Survivors

A LIFE CHANGING EXPERIENCE

Camp Susquehanna is sleep away camp for children with burn injuries. Volunteers make one-on-one connections, learn and have new experiences, while enjoying the great outdoors in the beautiful Pocono Mountains.

Each year, the Burn Prevention Network welcomes 100+ volunteers to make Camp Susquehanna a success!

On-site volunteer opportunities for in-person camp include counselors, fun squad, psychosocial team, photographers, nurses and more! If you cannot commit to the entire time at camp, we have other opportunities as well!

- Chaperon on the buses that bring campers to and from camp
- Packers who label, organize, inventory, and move camp supplies
- Fundraisers! Hold a raffle, a fundraising event, or recruit donors
- Assist with virtual events throughout the year (Soliciting donations, packing materials, etc.)
- Help with a lunch stop along the bus routes for the campers

VOLUNTEER REQUIREMENTS:

- Have experience working with children
- Complete the application
- Be at least 21 years of age
- Complete a phone interview
- Attend all days of camp
- Must have Criminal and Child Abuse check completed and mailed prior to attending camp. Anyone who has not lived in the state of PA for the last ten consecutive years must also complete an FBI fingerprint check. Clearances are valid for 60 months from date of issue.
- Burn survivors ages 18-20 may apply to the Leaders-InTraining Program

Camp Susquehanna is completely free of charge to our campers and families.

WHAT VOLUNTEERS SAY:

"Camp Susquehanna is a life changing experience. Once you attend, you will never be the same."

"Camp is just what I need to recharge my batteries for the rest of the year."

"I feel as though I get just as much from camp as the campers do. It feels like family here."

Portable Fire Extinguishers Training (Virtual Instructor Led)

Dates: 06.17.26, 07.09.26, 08.06.26, 09.08.26 at 8 am EST

This Fire Extinguishers Course is designed to provide attendees an overview of how Fire Extinguishers became important, product information, information on standards, codes and the enforcement of them, selection and installation, calculating extinguisher coverage, recharging and hydrostatic testing.

Hands On Training is also available at various locations throughout the year.

6/4, 8/20 (Edison), 7/23 (Concord), 7/30 –7/31 (Baton Rouge)

Visit fedlearningcenter.com for more information and to register.

Description

Segment 1: Learn the basic principles of Fire Extinguishers, the fundamentals of fire, fire extinguisher basics, using fire extinguishers, standards, codes, enforcement, product testing, ratings, labeling, and the general effectiveness of fire extinguishers.

ICC # 24691, CEUs: 0.15, Contact hours: 1.5

Segment 2: A general overview regarding the installation, inspection, and maintenance requirements of Portable Fire Extinguishers.

ICC # 24924, CEUs: 0.2, Contact hours: 2

Segment 3: A deeper dive into understanding Fire Extinguishers including how to determine the number of extinguishers installed based on occupancy hazard by explaining the proper selection and calculation process.

ICC # 24925, CEUs: 0.2, Contact hours: 2

After successful completion of all segments and materials, you will receive a Certificate of Completion for this course.

Some of the course content that will be covered during the course is below:

- Types & History of Fire Extinguishers
- Basics of Using a Fire Extinguisher & Effectiveness
- Standards, Codes and Enforcement
- AHJs and their role
- Product Testing, Ratings & Labeling
- Components of Portable Fire Extinguisher
- Installation of Extinguishers
- Inspection and Maintenance Requirements
- Maintenance Checklist
- Instructor Demonstration: Inspection of Out-of-Service Extinguisher
- Review of Obsolete Fire Extinguishers
- Non-Compliant Examples
- 6-Year Maintenance
- Recharging
- Hydrostatic Pressure Testing
- DOT and Non-DOT Cylinders
- Condemning Fire Extinguishers
- Types of Occupancy Hazards
- Selection of Fire Extinguishers
- Calculating Fire Extinguisher Coverage
